

Welshpool & District Pool Press

4th October 2017

After the opening shots of the season, it's not hard to see who will be challenging to take the Keys, championship title off them. Still a long way to go but Argae B and the Nomads are expected to be right in contention along with the Breidden Lions if they can add some consistency to their game. The Castle Boys have had a good start to the campaign and will be a match for any team on their night. Currently at the foot of the table are the Deliberate Dragons, but this follows a tough start having played three of the league contenders and the Angel. The youthful team will pick up points as the weeks go on so under estimate them at your peril.

Over the last eight months, there has been a pool tour of four fixtures, where senior and masters aged groups can qualify to represent Wales in 2018. Our league was well represented in players and we're pleased to announce that in the seniors section, Carl Clarke & Steve Davies (both Nomads), Rob Griffiths (Topdogs) Kev Morris (Angel A) and Mike Williams (Argae B) all qualified. In the Masters section, qualifying from our league is Aled Lloyd (Keys A), and very narrowly missing out was Paul Allen and Steve Sherlock.

Well done to you all.

Keys B struggle as title favourites

After expecting to be one of the title contenders this season, The Keys B have got off to a poor start, and have lost significant ground to the Breidden Tigers. With Barry Emberton jumping ship from the Tigers table sharing colleagues, the Tigers will no doubt be looking to remain in contention for the season. Argae A suffered the loss of two great potters in

Callum and Liam Bishop, to Premier league teams, but that hasn't stopped them having a good start to the season, rising to the top of the league, albeit having played a match more.

Elsewhere, everyone as expected is taking points off each other so this league is so unpredictable, but that's what makes it interesting.

Hughie Lewis Cup starts Tuesday 7th Nov.

Pinewood pull out of Div. Two

The early pace setters in Div. 2 is the Courthouse Judges & The Cock Brockton. Sadly, the committee were notified by the Pinewood captain, earlier this week, that they would be pulling out of the league. All teams need to be aware that they have been replaced with a bye. Match scores already against the Pinewood have been reversed.

Once the Jockey Rats get used to their new home (Sarn last season), they are expected to make a challenge for the Div. Two title. As with Div. One, teams in this league are all capable of taking pts off each other so we expect the table to swing consistently through the season.

Hughie Lewis Cup starts Tuesday 7th Nov.
