Forden, Welshpool - alunbrooks@aol.com

We now have our Semi Final line up for the Inaugural Brooks' Cup!

All teams have been contacted and all neutral venues have graciously confirmed acceptance for your forthcoming arrivals. The Lion A were the first to "rush in" with a resounding 5-1 over the Angel B, and they face Castle Boys who picked themselves up from the previous week's league disappointment to beat the Nomads 5-2! The Cobra also book their semi final date with aplomb, as they beat Courthouse Judges 5-1! Their reward is a tough tie against the Angel A who beat Oak B 6-2 in the previous round. The Angel A are already in the Andrew's Cup Final after overcoming their -2 disadvantage against the Punchbowl to eventually win 6-4; look out they're Cup hungry as they're also already in the Main Cup semis and looking for a hat-trick of Finals...

In Division 2 the Horseshoe will take on the Cock B Forden having come through two tense finishes (both 5-4!), with the Cock having already seen off Cock Brockton 5-1 and Four Crosses B 6-2 this Monday (were 2-0 down after the doubles). The Socialites are also looking for a double

after they saw off Punchbowl 5-3 previous, and they take on the Breidden who defeated the Crown Monty 5-4 at the end of a long, long night lol (played league fixture on same night). The Breidden will be up for this one, having reached the semi final of the Consolation Cup only to run in to an in form Oak A team who recorded a 5-1 win to progress to the Final. The Oak will play the Lion A in the Con Cup, as they also triumphed (5-0) over the Welly Dukes. As reported previously, the Green Dragon Buttington defeated Lowfield (6-2) in the Division 3's Brooks' Cup, and they will face the Talbot Slayers after they were victorious at 6-2 over the Lion Westbury B. The 2nd semi final sees Herbert Arms looking for revenge for their heavy league defeat in their last league game to Argae Hall B. Herbert enjoyed a brilliant night at the Pinewood B on the way to a 5-3 win, as Argae sailed through with 5-2 wins over the Welly Wasps and a walk through over the Upper House Yorkies. Another set of Cup results for you sees The Cock Brockton face the Talbot Top dogs in the Hughie Lewis Final! The Cock seemed to be cruising at 4-1 against Westwood Warriors but needed the

PERPETUAL TROPHIES!

Would all teams/individuals return their perpetual Cups and Shields to a committee member asap.

Any problems please ring me on 07868240066.

Thanks, Dave G.

final frame to win after a stunning come back from the Warriors. The Top dogs reach the Final after beating a rather weary looking Punchbowl 5-1, who have dropped from 2nd to 4th and lost two cup semis in their last 3 games of the season; commiserations and tough luck Punchbowl, but well done the Top dogs on reaching the final. Gary/Jase and I will be looking at the Order of play for Finals day and deciding on whether to play the Division 3 player of the year play off on Finals day or an alternative date and will advise as soon as possible.

As usual, all raffle donations and volunteers for the day will be gratefully received and much appreciated.
