New Season starts, please check your Fixtures!!

Welcome back everyone to the 2008/09 Season (and about time too!).

Please check that you have the correct fixtures as the initial print from our new software package used this year (Redseal) contained errors. My apologies for not vetting them thoroughly and my thanks to various committee members for making several trips to get the correct fixtures out!

As you can see we are proud to have secured the continued League Sponsorship of Andrew's Fish Bar (as part of a 3 year deal) as well as our established sponsors of Pete Sheppard, Craig Humphries (through Molto and Revells) and Shaun Humphries (player of the year). I also welcome Jason Stokes as our new League Secretary and thank him for his sponsorship of this years Doubles and Trebles competitions!

Good luck to everyone for the new season and I would ask that the established sides help the new teams as much as possible with regards to the rules and format etc.

Many thanks,
Dave Gannon.
Chairman W&DPL.
